

Reception Team

With most monthly shows we host a simple reception. Are you the “Martha Stewart” of your community? Or do you just like wine? This team could be for you! This opportunity only involves a few hours once a month. Lots of different jobs are needed; from pouring wine to setting up buffets, decorating, and playing host/hostess. This team gives you a chance to meet people and learn who-is-who at WAS-H or just bring a snack to the monthly General Meeting or Reception.
